

NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

In less than two weeks Texas voters will be joining voters all across the United States in voting in the general election, but Texas voters will also be asked to decide the fate of 14 more amendments to our patched up Constitution.

As usual, several of the amendments deal with matters that should not even be considered by Texans as a whole, but because of the way our constitution is written they must meet the approval of at least a majority of the voters.

Coming under this category are amendments 4 and 11. The first of which pertains to Dallas County alone and the second one only to El Paso and Tarrant Counties. And as usual in these matters, if the amendments pass they will still have to be approved in separate elections by the voters in these counties. Because of this added safeguard we can see no reason to turn down these two.

Coming under about the same category are amendments 8 and 14. These are both matters of technicalities. Number 8 would eliminate the ceremonial requirement that the Governor, Secretary of State and Comptroller approve many minor contracts of purchase. Number 14 would define the Legislators' term of office and eliminate some confusion here. Both of these amendments probably should be approved.

Two amendments, 1 and 3, would give two state funds an opportunity to be invested in securities that would increase their income. The first fund is the State Employees Retirement System and the second is the Permanent University Fund. Since both of these amendments seem to have built-in protection we can see no reason to turn them down.

Three amendments, 6, 12, and 13, deal in one way or another with industrial development within the state. One would allow a tax incentive for Pollution Control so that industry would not be penalized too heavily for complying with pollution control. Number 12 would allow cities and counties to issue revenue bonds for industrial development. This one is drawing some pros and cons with the main argument being used that 44 other states have this and that Texas needs it to compete for industry. Number 13 is more or less a technical matter and would exempt from ad valorem tax property that is only temporarily in the state and is being shipped out of the state.

Three other amendments that we feel should be approved are numbers 2, 7 and 9. Number 2 would increase the amount of money that Texas can spend for the needy. This has become necessary if the state is to match federal monies available for the old, the blind, and the disabled. Number 7 would gradually get the state out of the ad valorem tax field with the exception of 10¢ for college building fund. This would aid the counties, cities and schools who are dependent on this form of taxation. Number 9 would increase the amount of money that teachers could put into their retirement system. This becomes a matter of trying to keep up with inflation and permit teachers to have a more realistic retirement program.

There are two amendments that we feel should not be approved. The first of these is number 5 that would increase the salaries for Legislators. With all state employees underpaid we do not feel that part-time Legislators should be given an increase in both their salaries and their expenses. Maybe if we had about half as many of them, we could pay them better and still be better off. Number 10 would authorize the refund of tax on cigars and tobacco products sold in Texarkana and would open up a whole new world of problems. Every town on any of the four sides of Texas would be seeking the same relief and then the towns next to the towns on the border would join in, and so on.

Local Youth To Collect for CROP Monday

Hamlin young people will pool their efforts Monday evening when they hold the annual CROP drive to collect resources for the Christmas Overseas Relief Programs.

Junior high and high school youth from all churches are invited to meet at 6:30 p.m. Monday, Oct. 28, at the First Baptist Church Chapel.

The youth will receive assignments and will then canvass the town securing funds for others.

The CROP drive is sanctioned by the Hamlin Ministerial Alliance. Each worker will be recognized with the usual CROP identification tag, (red on white) but they will also carry CROP envelopes as further identification and for receiving the gifts of each individual contributor.

The Alliance hopes the entire community will cooperate in this worthy project.

New Den Formed At Pack Meeting Monday Evening

One new den was formed at the Monday evening Troop 43 Pack meeting in the primary cafeteria.

Cubmaster Gean Witt presided and appointed Robert Fowler and James Brown to serve on a committee with him to secure a flag or banner for the Pack.

Mrs. James Lain, Mrs. Bill Davis and Mrs. Dan Fuschak will work with the new den seven. Boys in this den are Wendell Roberts, Gary Lain, Lynn Davis, Keven George, Timmy Hawkins, Scott Knox, Terry Bailey and Mario Quintanillo. All of these boys received Bobcat awards.

Billy Jordan received the Wolf and Bear ranks and a one year attendance pin.

Two year attendance pins went to David Pool, Billy Jordan, Alan Steele and Mark Fowler.

Webelos receiving geology pins were Steve Hastings, Danny Brown, Rick Craig, Mike Williams and Connie McIlwain.

Former Resident, C. W. Gold, 51, Dies In Houston

C. W. (Jiggs) Gold, 51, of Kermit, a former resident of Hamlin, died at 3:30 p.m. in a Houston hospital from injuries sustained in a one-car highway accident near Kermit Oct. 8.

Mr. Gold, an employee of Shell Pipe Line Co. for 35 years, had been flown to Houston last Tuesday.

Funeral was held at 10 a.m. Tuesday in the First United Methodist Church in Kermit.

Born in Fredricksburg, he was married to the former Sarah Nicholson in Hamlin Nov. 14, 1937. They lived in Hamlin for a time. They had lived in Kermit for nine years.

Survivors include his wife; one daughter, Girley, 16, of the home; his mother, Mrs. Thekia Gold of Fredricksburg; one sister and one brother, both of Fredricksburg.

Pied Piper Farms Sets Pig Sale Saturday

The Pied Piper Farms will hold a Show Pig Sale here Saturday at 7 p.m. in the Hamlin Jaycee Building, according to F. Barry Moore.

The sale will feature weaning Chester White boars and gilts plus a few service-age boars and gilts. Top Duroc, Hampshire, and Crossbreds show prospects will also be offered.

In announcing the first annual sale, Moore said that once again the problem of locating these top show barrows and gilts is here and the sale is designed to help solve this problem.

There will be 60 weaning boars and 20 weaning gilts at the sale and registration papers will be available.

Barrows sold last year by Pied Piper Farms placed well in shows from Lubbock to Houston, according to Moore. The reserve champion junior Hamp barrow at San

Supt. Cook Wins Second Term On U.I.L. Council

C. F. Cook, Hamlin School Superintendent, has been notified that he has been re-elected for a second term on the Legislative Council of the University Interscholastic League for Region I, Conference AA.

The 28th annual meeting of the Legislative Council will be held Nov. 6 in Austin. The Council will review the recommendations from the State Meeting of Delegates in May and other suggested changes from affiliated coaching and educational groups.

over \$100 in magazines are eligible to be entered in the nationwide competition for the trip.

Room 7A was winner of the stuffed doll, the prize for the class selling the most subscriptions.

Mrs. Jackie Williams, P-TA finance chairman and organizer of the fund-raising event, said Tuesday that over \$2,200 had been sold in magazines and subscriptions to the Hamlin Herald but the tabulation to determine net profit had not been made. The young people earn prizes based on the amount of their sales.

Pipers to Invade Bluecat Den Friday

The Pied Pipers will travel to Coleman Friday night to take on the Bluecats in an effort to even their district record at 2-2. Kickoff time will be at 8 p.m.

Both Hamlin and Coleman have 1-2 district records with Coleman getting their win last week over Anson, 13-7, while Hamlin was losing to Ballinger, 22-6. The only common foe of the two is Ballinger with Coleman losing to the Bearcats 14-7.

After three weeks of District 7-AA action, Stamford remains on top with an unblemished record. They are followed closely by Ballinger with a 2-0-1 slate. In third place is Haskell with two wins and a loss to Stamford. Hamlin, Winters, Coleman and Merkel all are next with 1-2 records and Anson has one tie with two losses.

Last week while Hamlin was losing to Ballinger, Coleman was dumping Merkel, 26-7 and Haskell had to come from behind to down Winters, 22-21.

This week while Hamlin is at Coleman, Haskell will be at Ballinger, Merkel at Winters and Anson at Stamford.

The Pipers are expected to be in pretty good shape for the game Friday, according to Coach Joe Youngblood. He said the Booster Club Monday night that Mike Brown was back out Monday for the first time since the Merkel game.

The Bluecats operate the same type of defense that Ballinger used, a split-six, according to scouting reports and rely on a multiple offense with strong use of the pro-set.

The Bluecats changed quarterbacks for the Anson game and relied more on their running game than they have

in the past. Quarterbacking for them against Anson was Tommy White with Ricky Smith, who was quarterback earlier, moving to fullback. White is rated as a pretty

good passer by the Piper scouts.

Salvador Andrade, a tall 170-pound tailback, is the workhorse of the Coleman offense and is a good strong runner.

Dept. Public Safety Making Special Effort to Get Patrolmen

Patrolman Oscie Renfrow announced today that the Texas Department of Public Safety is making a special effort to obtain qualified young men for the position of Patrolman with the Department.

Patrolman Renfrow said, "All men between the ages of 20 and 35 who are of sound physical condition, have at least a high school education or equivalent, have vision of not less than 20/40 and have high moral standards should

contact him or any member of the Texas Department of Public Safety immediately."

There are four branches of service for which men are directly recruited — Driver License, License and Weight, Highway Patrol and Motor Vehicle Inspection. Trainees are assigned to the service for which they are best suited.

Upon graduation from the 18 week training program at the modern DPS Law Enforcement Academy in Austin, the trainee is commissioned into one of these services. At the Academy, he will receive a salary of \$500.00 a month while in training. He will be taught such subjects as Texas Highway Law, accident investigation, first aid, professional driving, care and use of firearms, and many other subjects.

Benefits afforded patrolmen include: two weeks annual vacation; 12 or more holidays each year; 12 days sick leave each year; modern retirement privileges and travel expense. DPS patrolmen are furnished all uniforms and equipment necessary for performance of their duties.

Patrolman Renfrow urged interested young men to get their application today and take the examination before all vacancies are filled.

Bryan Wasson Completes Course

Chief of Police, Bryan Wasson, received a certificate from the U. S. Bureau of Prisons, Jail Inspection Service, after completing a correspondence course in jail management.

The course was started in April and completed in October. Information covered included jail sanitation, security, medical care for prisoners, and food management. Also, special problems such as dealing with alcoholics, drug addicts, and juveniles.

To Play At Merkel

The Piper Junior Varsity will be making their last road trip of the season tonight (Thursday) when they travel to Merkel to meet the Badger B Team.

ACC to Host Annual Statewide Range Management Conference

ABILENE — Abilene Christian College will host the annual statewide Range Management Conference November 1. This year's topic is "Grassland Management."

The statewide program will be directed by Joe Norris, range specialist for the Soil Conservation Service, and Dr. F. M. Churchill, professor of agriculture of Abilene Christian.

The purpose of the conference is to bring together ranchmen, technicians and others interested in range management for speeches and discussion to help solve some problems faced in today's ranching industry.

Registration for the sessions, to be held in Sewell Auditorium and McGlothlin Campus Center, begins at 8 a.m. Cy Richmond of San Angelo, president of the Texas section of the American Society of Range Management, and Dr. John Stevens, ACC assistant president, will welcome the ranchers at 9 a.m.

Arthur Scharlach of the Trust Department of the Fort Worth National Bank will address the group at 9:30 on "Flexible Grassland Lease Agreements," followed at 10:30 by Henry Turney, Dublin rancher, on "Grass — The Key to Ranching" and at 11 by J. B. Harlan of the Henrietta SCS on "Reclamation of Rangelands by Reseeding."

Bob Ragsdale of College Station, associate range specialist for the Texas Extension Service, will lead off the afternoon session at 1 p.m. with "Distribution of Grazing," followed at 1:30 by Dr. Leo Merrill superintendent of the

WCS Members To Observe Day Of Prayer, Denial

Members of the Women's Society of Christian Service of First United Methodist Church will participate this week in one of the most important annual observances of United Methodist women throughout the United States.

The "Call to Prayer and Self-Denial," initiated in 1887, focuses on guided mission study, a much needed offering for special world and national projects, and a deepened spiritual life. More than 1,541, 500 women in 33,000 societies and guilds in all 50 states will join in the observance.

The Call is sponsored by the Women's Division of The United Methodist Board of Missions. The Division, one of

the four major units of the Board of Missions, is the national body through which all local Women's Societies and Guilds function.

The theme of the 1968 Call to Prayer and Self-Denial is "Christ, the Giver of Life," inspired by the opportunities to be made possible by gifts this week and the study, Coming to Life, by Dr. Ernest W. Saunders, dean of Garrett Theological Seminary and professor of New Testament Interpretation.

The two major events of the observance are the Program Meeting for interpretation of mission projects for which a special offering will be made, and service of prayer.

Mr. and Mrs. Calvin Merritt Elkins of Roby are parents of a boy. Calvin Russell, born Oct. 16 at 10:34 a.m.

FROM THE FILES . . .

FIFTY - ONE YEARS AGO
(Files from fifty years ago missing)
(October 26, 1917)

For the first time in the history of Hamlin, we are to have grand Opera.

A very interesting feature of the "Kill Kare Karnival" given under the auspices of the Mother's club is the performance given by the Metropolitan Opera Company.

The well known artists, Melba, Chuck, Yaw, Galli-Curck, Tetriszenia, McCormick, and Caruso are members of the Metropolitan Company.

Friday night, Oct. 12 there was held at the school building a very successful as well as enjoyable box supper. Before the auction of the boxes there was a program of music and recitation which all present enjoyed.

Thirty-eight dollars and sixty-five cents was thus raised. The proceeds of which were to buy playground equipment for the young folk. Already there has been constructed four large see saws and eight fine swings which have been swamped all this week with merry youngsters eager for a ride.

TWENTY-FIVE YEARS AGO
(October 22, 1943)

Tuesday evening in the home of Mr. and Mrs. J. W. Ezell, the deacons of the First Baptist Church and their wives held open house, honoring the pastor and his wife, the Rev. and Mrs. B. J. Martin.

Facing an experienced and far superior team in the Stamford Bull Dogs, the Pied Pipers dropped a conference game last Friday night on their own field.

Stamford scored five touchdowns in the first half of the game and another in the last quarter to take a 40 to 0 landslide victory.

Everyone is cordially invited to attend singing at Dovie church Sunday Oct. 24 at 2:30 p. m.

All lovers of singing come and help enjoy the afternoon.

TEN YEARS AGO
(October 23, 1958)

Members of the Jones County 4-H Club Council met in the county agents office at Anson Thursday night. The following officers were elected: Patsy Wade and Ronnie Bagley co-chairmen; Barbara Shuquist, vice chairman; Marvarine Shuquist secretary; Judy Simmons treasurer.

Thirteen seconds was all the time the Haskell High School Indians needed Friday night to wrap up the first conference game of the season for the two teams as they trounced the Hamlin High School Pied Pipers 6 to 0.

In the statistics department the Pied Pipers made only seven first downs to Haskell's nine, but otherwise the home boys held the edge. The Pipers had 123 yards on the ground and 124 yards in the air.

Two Hamlin deer hunters, Edgar Duncan and L. R. Fowler returned last week end from an early season hunt in Northern Colo. And they returned with proof of a successful hunt--four bucks and one doe (open season was on does too).

Members of the Beta Theta chapter of Beta Sigma Phi met last Wednesday afternoon in the home of Mrs. H. L. Mehaffey.

Mrs. Jimmy Simmons, homemaking teacher at Hamlin High School presented a program on "Your Poise and Charm."

Members of the Hamlin Business and Professional Woman's club met last Tuesday evening in their regular dinner meeting of the month at the Primary School Cafetorium.

Mildred Howard, president of the club, presided. The invocation was offered by Zelma Hulse.

Program for the evening was provided by members of the finance committee composed of Florence Cowan, Vera Nobles, Rosalie Scott and Vonita Prater. Mrs. Nobles directed the program.

Hamlin Volunteer Fire Department presented awards to three pupils of the Hamlin Elementary School for outstanding posters on fire prevention. Those winning the awards were Simon Rodriguez, first place; Lynn Brannon, second and Buddy McClung, third place.

TREASURES

He walked a long time and rang many door-bells and "scared" a lot of people in order to acquire his Halloween treasures. He wants to sleep with his treasures beside him, where he can feel the sack with his hand.

These treasures somehow remind you that one of your responsibilities toward your adorable child is to teach him what *real* treasures are — friends, country, church, good deeds, family, love of God, and quality of spirit, to name a few.

That "Trick or Treat" bag somehow reminds you of that scripture in Matthew that goes, "*Lay not up for yourselves treasures upon earth where moth and dust doth corrupt, and where thieves break through and steal: But lay up for yourselves treasures in heaven where neither moth nor rust doth corrupt, and where thieves do not break through nor steal: for where your treasure is, there will your heart be also.*"

You know that the church will help you in this, so you vow again to be faithful to every service, thankful for all the wonderful workers there, asking God to help you and them.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Pipers Drop District Contest to Ballinger Bearcats Here Friday

The Ballinger Bearcats broke open a tight defensive battle here Friday night when they took a commanding lead in the fourth quarter on a 61-yard punt return and then went on to win the 7-AA encounter, 22-6.

The Pipers were trailing by one point early in the fourth quarter when the Bearcat increased this lead to eight with their punt return. With time running out and trailing by eight, the Pipers took to the air with little success and the Bearcats increased their lead to 22-6 on a 33-yard pass play late in the contest.

The Bearcats owned a 7-0 halftime lead after driving 49 yards in 13 plays in the second period and the Pipers came back early in the third quarter to close the gap to 7-6.

Bearcat Quarterback Jim Yarnell was the night's leading ground gainer with 115 yards in 21 carries. He picked up 100 yards of this in the first half and the Pipers held him to only 15 yards in the second half.

The game was another punting duel for the Pipers with Hamlin punting nine times and Ballinger seven. The Pipers passed up two good opportunities in the first quarter when they fumbled after a pass interception and after recovering a Bearcat fumble.

Three punts were exchanged following the opening kickoff with Ballinger taking the last one on their own 17. On the second play for the Bearcats, Safety James Asher intercepted a Yarnell pass and returned 25 yards to the Ballinger 12 only to fumble with

Ballinger recovering. Five plays later Ballinger fumbled with Hamlin recovering on their 45. But on first down Tailback Robert Bolden fumbled with the Bearcats getting the ball on the Hamlin 49.

The Bearcats drove down to the Hamlin 37 and quickly kicked to the Hamlin 7. Failing to make a first, the Pipers punted from the 16 to the 49 and the Bearcats opened up their first drive from that point. Yarnell was the big gainer in the drive and scored from the one on a sneak. Robert Boothe kicked the extra point.

The remainder of the second quarter was a continuation of the punting duel.

Fumbles were exchanged

following the second half kickoff before the Pipers took over on their own 37 after a Ballinger punt. Quarterback Asher connected with End Charlie Shira for a 33 yard pass play to the Bearcat 30. Tailback Spencer Ford carried seven times for 28 yards to the Ballinger two and Asher sneaked in for the score. On a fake kick, Slotback Bolden tried to make it around his right end for the two points but was stopped short.

Following the kickoff, the Pipers stopped the Bearcats at the Piper 45 and took a punt at the Hamlin 16. Failing to make a first the Pipers punted out with Shira getting off a 38 yarder only to have Safety Brice Jernigan return it 61 yards for the score. Boothe kicked the point after.

Five more punts were exchanged before Ballinger struck again with Yarnell passing to Jimmy Gomez for 33 yards and the score. On a fake kick, Yarnell carried in for the two points.

A pass interception by Ballinger, late in the game ended the Pipers chance for a comeback as the Bearcats ran out the clock.
